Circular No. 37 / 6 / 2022

September 3, 2022

Dear Comrades,

**3<sup>rd</sup> September 2022 – OUR UNION KVBEU STEPS INTO 64<sup>th</sup> YEAR**

3<sup>rd</sup> September is an important day in the history of our Union. On this day in the year 1959 a few committed and courageous comrades working in Madurai formed our Union KVBEU. On this 64<sup>th</sup> Foundation Day, we extend our warm greetings to all our Members. We recall the struggles and sacrifices made by the leaders and the cadres in building up this Union during all these years. Immediately after the formation, our Union got affiliated to All India Bank Employees' Association (AIBEA) through Tamilnadu Bank Employees' Federation (TNBEF). We can proudly say that in our Bank we constitute 100% membership under the banner of our National Organisation AIBEA and our KVBEU is the only Union in our Bank.

Comrades, our Union was started by courageous, committed and dedicated cadres. Trade Union ideology was their guiding spirit. Leaders and cadres who have taken over the mantle during the subsequent periods have adopted these lofty principles. Many of them have chosen trade union as their way of life and sacrificed their entire banking career for the welfare of our members. Their struggles and sacrifices have given us a reasonable standard of living and dignity in the Society.

The dedication and the loyalty of our Members towards our Union made us to grow in size and fly our flag high. In this journey of 63 years, our Union with the support of the members had entered into various settlements with our management and secured various benefits apart from the Bi-partite settlements. Our task is not over and it will continue in the days to come.

Today, the working class of this country is on the struggle path. The Government at the Centre is amending the hard earned Labour Laws to facilitate the employers to hire and fire. In the banking industry also, we are witnessing the neo liberal policies pursued by the

Central Government to help the big corporates. Our national organization AIBEA has already launched various agitation programmes to push back these anti-people policies of the Central Government. Our AIBEA always exhort its Members to identify themselves with working class movement of our country. Being a part of this great working class movement, we cannot remain in isolation. To face all these challenges we need a strong and vibrant Union. The Youth and Women comrades of our Union are our strength. We have to encourage them and integrate them into the main stream organization.

Our Organisation is our backbone. Our unity is our strength. Our past leaders are our inspiration. Our AIBEA is our guiding force. Our achievements are our confidence.

Let us unite and march forward.

**LONG LIVE AIBEA. LONG LIVE KVBEU.**

With greetings,

Yours comradely,

I.Venkatesan  
General Secretary
