Com.General Secretary,
Karur Vysya Bank Officers' Association,
Karur.

Dear comrade,

ALL INDIA AGITATION IN ALL BANKS DEMANDING ADEQUATE RECRUITMENTS

Our National Organisation All India Bank Employees' Association (AIBEA) had commenced all India agitation in all the Banks demanding adequate recruitment of Clerks and Sub-staff. As an affiliate of AIBEA, our Union is also taking part in the above agitation programme.

Further, to highlight and press the demand for adequate recruitments in the Banks, our AIBEA had announced series of agitation programmes culminating in Strike in the month of December, 2023. One of the agitation programme is our AIBEA had advised all its Members not to sit late beyond their regular office hours from 1st October, 2023 onwards.

We seek the fraternal support from KVBOA for our above agitation programme.

Further, from the feedback received from our Members, we understand that in some branches, authorization by the Officers for the various transactions carried out by the Clerks especially in the Cash Section are getting delayed and this leads to elongation of our working hours. We do understand that the Officers are pre-occupied with other official works. However, timely authorization of the transactions carried out by the Clerks would help them to complete their assigned works within their working hours. Hence, we request you to advise your Members suitably.

With greetings,

Yours comradely,

Sd/-
