3rd September 2026 – OUR UNION KVBEU STEPS INTO ITS 68th YEAR

3rd September is a historic and memorable day for all of us in KVBEU. On this day in 1959, our beloved Karur Vysya Bank Employees' Union was founded with the vision of safeguarding the rights, dignity and welfare of the employees of our Bank.

As our Union enters its 68th year, we gratefully remember the pioneering leaders and generations of comrades whose dedication, sacrifices and unwavering commitment strengthened our organisation. Their struggles laid a strong foundation for the Union and enabled us to emerge as a united and recognised voice of the employees.

Today, we take pride in the fact that KVBEU has grown stronger with the wholehearted support, solidarity and participation of our members. Over the decades, our Union has consistently stood by the employees and fought for their legitimate rights, service conditions, welfare and dignity. Our journey has been closely connected with the struggles and achievements of the banking trade union movement and the collective strength of AIBEA.

On this happy occasion we thank our parent Organisation AIBEA whose support enables us to face all the challenges and move forward with determination.

A STRONGER UNION FOR A CHANGING BANKING SECTOR

The banking industry is undergoing rapid transformation, with increasing technological changes, business pressures, outsourcing, workload and continuous changes in work practices. At the same time, employees are facing several operational and service-related challenges.

In this changing environment, trade union unity and collective strength have become more important than ever. We must remain vigilant and continue to safeguard the rights and interests of our members while ensuring that the legitimate concerns of employees are effectively placed before the Management.

KVBEU will continue to pursue all pending issues concerning our members, including adequate manpower and recruitment, workload, transfers, promotion opportunities, staff welfare measures and other residual issues, with determination and constructive engagement.

OUR UNITY – OUR STRENGTH

Our Organisation is our backbone.
Our Unity is our strength.
Our past leaders are our inspiration.
Our collective struggles are our strength.
Our achievements are our confidence.
And our commitment to our members is our guiding force.

On this solemn occasion, let us rededicate ourselves to strengthening KVBEU, protecting the legitimate rights and interests of our members and carrying forward the proud traditions of our Union.

Let us remain united, disciplined and committed to the principles of collective bargaining, trade union unity and justice.

With renewed determination, let us take our Union to greater heights in the years ahead.

LONG LIVE AIBEA.!
LONG LIVE KVBEU.!
LONG LIVE TRADE UNION UNITY.!

With greetings,

Yours comradely,
