September 30, 2023

Dear Comrades,

ALL INDIA AGITATION IN ALL BANKS DEMANDING ADEQUATE RECRUITMENTS

Members are aware that our AIBEA had launched series of agitation programmes culminating in All India Strike in all Banks demanding adequate recruitments in all the Banks. As part of the agitation programmes, our AIBEA had advised all the Bank-wise Unions to write letter to the Managing Director of their respective Banks informing about the commencement of the agitation programme and also write letter to the General Manager of the Human Resources Department of their respective Banks duly informing that AIBEA has called upon all its members not to sit late beyond their regular office hours.

Accordingly, we have written letter to our Managing Director & CEO and also to our General Manager, Human Resources Department on the above subject. We append here below the copy of the said letters for the information of our Members.

Comrades, we have already submitted Mass Memorandum of our Members to our Management for commencement of recruitment of Clerks and Sub-staff in our Bank. We are yet to receive response from the Management. Hence, we request our Members to effectively implement the various agitation programmes given by our AIBEA for achieving this demand.

With greetings,

Yours comradely,

I.Venkatesan

Dear Sir,

ALL INDIA AGITATION IN BANKS DEMANDING ADEQUATE RECRUITMENTS

The issue of need for provision of adequate staff in the branches of the Banks was discussed in the recent Conference of All India Bank Employees Association and the Conference resolved to take up this demand with the Bank Managements and Government. The issue was further discussed in the recently held Central Committee meeting of AIBEA and having regard to the large number of vacancies which remain unfilled in the Branches and the increased workload on the available branch staff, it has been decided by AIBEA to highlight the problem and demand adequate recruitments in the Banks.

We enclose herein the Resolution adopted by the Central Committee of AIBEA and the details of the agitational programme for your information and necessary remedial response. Thanking you,

Yours faithfully,

The General Manager,
Human Resources Department,
Karur Vysya Bank Ltd.,
Central Office,
Karur.

Dear Sir,

In the recent years the number of award staff in the Banks have been drastically reduced both in clerical as well as in subordinate staff cadre since the vacancies that arose on account of retirements, promotions, death, etc. have not been fully filled up, besides non-sanction of additional staff due to increase in the volume of business. Because of this, there is acute shortage of staff in the Branches in the clerical and sub staff cadre.

In many Branches, permanent safai karmacharis/house keepers, part time employees are not there since these vacancies are also not being filled up. All these have resulted in employment of large number of temporary and casual employees on adhoc basis for years together.

Hence, there is urgent need to fill up the vacancies and provide adequate staff in the Branches to cope up with present-day workload and to ensure satisfactory customer services.

To highlight and press the demand for adequate recruitments in the Banks, our national organisation, All India Bank Employees Association has given series of agitation programmes.

As a part of the same, AIBEA has called upon all its members not to sit late beyond their regular office hours. We request you to please take note of the same.

Thanking you,

Yours faithfully,
